Dear Jeffrey Gould,

I wanted to take a moment and let you know how thankful I am that we are celebrating our 5 year working relationship at Medical Resources Plus. There's an obvious reason that my associate with 20 years of experience in marketing at an executive level in a fortune 50 company, choose you to partner with us since the beginning.

Thanks to you and Action Media Productions, our success with our clients has been significant: your experience and team approach to tackle challenges, a keen eye for detail and cost effectiveness, continued growth in technology and your creative ideas and solutions...all come together to form a professional Multimedia Production Company.

Because of your services and our business relationship, we have been able to not only provide a quality product, but also exceed our client's expectations. Thank you again for the difference you make at MRP.

Sincerely,

Jerry Martinez
Executive Director
Medical Resources Plus
